TANDY

LEADING THE WAY IN ELECTRONIC TECHNOLOGY

Tandy have been supplying the UK with state-of-the-art electronics since 1973, establishing a tradition in which you can trust. Each of our products is the result of large scale investment and manufactured to meet our stringent standard of quality. Our dependable warranties and efficient after sales service mean that only Tandy can offer such a high standard of product support from the moment you make a purchase.

When you visit a Tandy store you will receive an unparalleled level of personal sales service from our friendly and professional staff. They will be happy to provide information on any of our high-tech products, or arrange a demonstration on anything from our extensive range of CD, hi-fi systems or video recorders, to the latest home and business computers. With their experience and knowledge you will be sure to make the right choice.

Tandy is unique in the High Street in being able to offer a range of over 1000 specialist parts/accessories for use by both the professional and hobby electronic markets. At a Tandy store you can purchase anything from a 13 amp plug to a micro diode. We also stock a wide range of test equipment and tools for the DIY enthusiast.

Call in and see for yourself the reasons why, for 19 years, Tandy products have been purchased by millions of satisfied customers. An extensive range of the latest in innovative technology offers you unbeatable choice, all at a price you can afford.

Tandy is the local store for everyone. So call in and experience the difference.

The Tandy card could provide you with instant credit* on our entire range of products. You may wish to purchase the latest computer system for your home or business, a new hi-fi or compact disc music system, video, TV or do it yourself and hobby equipment. Whatever it is you want, the Tandy card makes it possible for you to take it away today*.

In addition, Tandy card holders are entitled to an exclusive range of privileges including seasonal Tandy card discounts, promotions and free offers from our range.

We value the special relationship we have with our customers, and Tandy card is a perfect example of this. Our customers know what they want, and we provide it!

* Instant credit is available to persons over 21, subject to status. For full written credit details write to: InterTAN U.K. Ltd., Tandy Centre, Leamore Lane, Walsall, West Midlands. WS2 7PS. Typical APR 29.8 (variable) for payment by direct debit.

TANDYCARE THE FULLY COMPREHENSIVE SERVICE INSURANCE POLICY

Tandy and Cornhill Insurance have combined to produce a product guarantee facility called Tandycare. A once only payment safeguards your purchase for up to 4 years,

with optional annual renewal after that.

Tandycare gives you peace of mind. It incorporates a full accidental damage clause.

Unlike many other extended warranties available you don't have the inconvenience of paying an engineer and having to claim your money back.

COMPUTER CARE

When buying a computer system, it is reassuring to know that support and assistance are available to give you complete peace of mind.

12 Months on-site maintenance is available in mainland England, Scotland and Wales.

HARDWARE SUPPORT

In the event of a failure, our own experienced engineers are just a phone call away, and we will quickly return your system to full working order.

Basic maintenance contracts start from as little as £64.95 per year.

SOFTWARE SUPPORT

Our unique software service, 'Softcare', is also available to give you dedicated "hotline" support. There are two levels of support, Softcare Lite and Softcare Professional.

Softcare Lite. A complete software support service tailored to suit the home PC computer user, at the affordable price of £29.95.

Softcare Professional. Aimed at the more intense business user but still competitively priced at £44.95. Whichever one of these you choose you have the benefit of a team of software professionals on hand with advice and information covering the MS-DOS operating system and one application package from the range listed. Additional packages can be supported from £17.50 per package.

As a member, simply call our software support office detailing the problem and we will call you back promptly saving you money on phone bills.

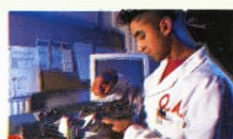

For further information on Computercare contact your local store for details or ring our Contracts Dept. on 021-556-6101.

QUALITY AND RELIABILITY

At Tandy, quality is always one of our prime concerns. Throughout our range of products from the latest computer systems to the thousands of electronic parts and accessories, we maintain strict quality control tests. In this way you can be assured all products selected offer outstanding quality and value.

REPAIRS AND SUPPORT

Your sales staff are required to offer you the best in personal service. In the event of a product breakdown we will provide a quick and effective repair. Ask about our "Express" repair service. Designed to give you an even quicker response for a moderate cost.

NATIONAL PARTS

Our National Parts Warehouse stocks over 40,000 parts and accessories, each one kept for up to seven years fulfilling the Tandy promise of putting the customer first.

If you require this service it is available via your local Tandy store, Authorised Dealer or direct from our Parts Department at Wednesbury.

Telephone 021-556-6101

Fax 021-505-3965

Any part in stock will be despatched within 24 hours of receipt of your order and payment.

Payment can be made by cheque, credit card or postal order which should be made payable to: Intertan U.K. Ltd. £1.50 for postage/packaging on all items below £50.00. If the item you require is not part of our extensive range we can usually obtain it for you.
